Any unpaid balance shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program.

SENTENCING RANGE: The Court considers the sentence as stated to be reasonable given consideration of the factors set forth in 18 U.S.C. § 3553, including: under factor (a) (1), the defendant's history of committing a crime in the United States and then returning illegally to the United States following deportation; under factor (a) (2) (A), the need for the sentence to promote respect for the laws and sufficiently and justly punish the defendant for this serious offense; under factor (a) (2) (B), the need for the sentence to impress upon defendant and others the seriousness of his offense of illegally returning to the United States and deter him, specifically, and others, generally, from returning illegally; and under factor (a) (2) (C), the need for the sentence and defendant's anticipated subsequent deportation to protect the public from further crimes of the defendant.

Also in its consideration, the Court had evaluated the Sentencing Guidelines as required in 18 U.S.C. § 3553 (a) (4), and finds the calculations of suggested sentence therein for this defendant under the present circumstances to be reasonable.

The Court RECOMMENDS a BOP facility as close to the Southern California vicinity as possible.
